One of Harrogate's greatest assets is its reputation as a centre for holidays. The town offers a staggering number of small hotels and guest houses.

There are also a number of large hotels such as The Majestic, Old Swan, St. George and the Holiday Inn all of which are convenient for the exhibition centre. These are complemented by quality shopping and an excellent variety of restaurants, bars, pubs and cafes.

The accommodation link is now live for you to book your hotel rooms directly with our accommodation company, Reservation Highway. You will be taken directly to our home page within their website where you can; Search for a hotel, view a full hotel list, view local information and services etc. Alternatively please call them on +44 (0) 1423 525577.
